## **Ed Burrows Runs for Stor-All's Loc-all Good**

### **Stor-All's Self Storage Manager in Stuart, Florida completes third charitable 5k race.**

**Deerfield Beach, Florida, May 9<sup>th</sup>, 2013** – Ed Burrows, manager of the Stor-All Storage in Stuart, Florida races in charitable 5k's as part of Loc-all Good. Since the launch of Stor-All's Loc-all Good initiative in March of 2013, Ed has participated in three races. These charity events include, Torrey Pines 5K for Molecular Studies, Brianna Cooper 5K for Heavenly Smiles Foundation, and Autism Awareness 5K for FAU Center for Autism and Related Disabilities.

Ed has been running regularly since 2009, however, he didn't start racing until November 2012. Ed comments, "I wanted to stay healthy so I started running every day. I posted my times on Facebook for about a year and all my friends said I should run in a 5K. However, I didn't feel confident enough to run a 5K until I found the Beach2Bar race. I completed it and boy was it fun. Since then I started doing as many as I can and I love it."

Now running as part of Loc-all Good, Ed notes, "I think this is a great program! I never use to interact with the local community but now I do. The program has empowered me to talk about Loc-all Good with other runners and event coordinators. My peers are impressed that a company would do this for their employees. Being with Stor-All for the past 4 years makes me proud to be a part of a goodness-drive family business." Stor-All Storage founded Loc-all Good to promote goodness in the hyper-local markets of its 44 self storage properties.

Stor-All Storage is a goodness driven family business founded in 1967, with 44 storage locations throughout Florida, Georgia, North Carolina, Virginia and Colorado from its headquarters in Deerfield Beach, FL. Stor-All is fully integrated self-storage company providing real estate brokerage, asset selection, underwriting, construction, development, property management and investor relations services to its individual investment partnerships.
