Stor-All Self Storage expands its presence in the Denver self storage market by acquiring Park Meadows Self Storage.

Deerfield Beach, Florida, July 18th, 2013 – Stor-All Storage acquired Park Meadows Self Storage on July 17th, 2013. The 4.2 acre self storage property is located at 8812 East Park Meadows Drive in Lone Tree, Colorado. Southwest of downtown Denver, the property is a half mile away from the Park Meadows regional mall and located in the southwest quadrant of the intersection of I-25 and I-470.

The storage property is comprised of seven, one and two-story self storage buildings which contain over 81,000 square feet of net rentable space offering 761 climate-controlled and drive-up self storage units. The facility will be rebranded Stor-All Storage and will undergo an office remodel.

This will be the forty-fifth self storage facility for Stor-All and their fourth storage facility in the Denver self storage market. Managing Partner of Stor-All, Jeff Anderson, comments, “We tried to purchase this property back in 1996 when it was vacant land which makes the acquisition of Park Meadows Self Storage even more special to us. Lone Tree is a beautiful and vibrant city and Stor-All looks forward to being a responsible corporate citizen and meeting the storage needs of the community. Our first order of business will be to introduce ourselves to our current customers and then begin rebranding of the property and bringing it up to Stor-All’s standards with a new rental office and other improvements to the property”
